PROLIFICS, AWARD-WINNING IBM SYSTEMS INTEGRATOR, COMES TO YOUR CITY

New York, NY – September 7, 2010 – Prolifics, the largest end-to-end systems integrator specializing in IBM technologies, today announces that it is currently “on tour” bringing its expertise to various cities with IBM’s “Pulse Comes To You” and “Impact Comes To You” events.

“Pulse Comes To You” – a dynamic event which centers on IBM Tivoli Security and Monitoring solutions – has already taken place in Minneapolis and San Francisco. The next will be in Hartford (hosted by Prolifics) on September 14th, at the Hilton Hartford, and one in Philadelphia on September 23rd. Featured speakers at the Hartford event include Prolifics’ Technology Team members Kyle Watson, who will be discussing Security, and Dan Kern whose presentation showcases Prolifics’ “Autonomic Monitoring Platform.”

“Impact Comes To You” is an educational event to learn more about IBM WebSphere, BPM, SOA and Collaboration, and has already occurred in St. Louis, San Francisco, and Little Rock. The next will be in Boston (hosted by Prolifics), at the Hotel Commonwealth on September 21st. Prolifics’ Paul Baryski will present a customer case study featuring RBS Citizens Bank. There will also be one in New York City on September 23rd.

For more information, visit Prolifics’ event page: <http://www.prolifics.com/prolifics-event-calendar.htm>

Prolifics’ SOA and Security Practices are dedicated and focused teams that have helped organizations around the world build out successful infrastructures. Many of these solutions have been distinguished with IBM Awards recognizing the company’s business value attained. Providing assistance on best practices, governance, architecture and implementation, Prolifics brings expertise to Integration and Business Process Management initiatives, Security and Monitoring - helping customers be more flexible while rapidly adapting to business demands.

About Prolifics

Founded in 1978, Prolifics is the largest systems integrator specializing in IBM technologies, having garnered awards for technical excellence across IBM’s entire software portfolio. A Premier Level IBM Business Partner, Prolifics provides expert services including architectural advisement, design, development, and deployment of end-to-end SOA and Portal solutions. In 2008, Prolifics joined with SemanticSpace Technologies and Arsin Corporation to form SemanticSpace Group – expanding its global presence and offerings. Prolifics has serviced more than 3,000 customers worldwide across a broad range of industries.
