PROLIFICS ENDS Q1 2011 WITH NEW HIRES AND CONTINUED GROWTH

IBM Systems Integrator looks to immediately increase staffing within the organization

NEW YORK, New York – April 7, 2011 – Prolifics, end-to-end systems integrator specializing in IBM technologies, today announced that 2010 and the first Quarter of 2011 continued to show growth within the organization including two new sales hires and a demand for increased consultant staffing.

In 2010, Prolifics augmented its Sales staff with Laura Beach, Sales Executive assigned to the Great Lakes & Central Plains region, and Sean Jensen, Sales Executive assigned to the Southeast Region.

Since the beginning of 2010, Prolifics has already increased its consultancy headcount by 26% and looks to raise that in 2011 with new hires within its consultancy. Currently, Prolifics is actively seeking Mid- to Senior-level consultants with technical excellence in the following areas: BPM/SOA, Portal and Monitoring. Candidates are encouraged to submit resumes to: careers@prolifics.com.

“This is really an exciting time for Prolifics and its employees. There are great opportunities at Prolifics to learn, grow and be a part of many interesting customer projects,” states Don Swalinski, Vice President of Professional Services. “Our employees have passion, enthusiasm, talent, and commitment that builds and maintains the success of our business. We rely on our employees to deliver excellence in every area of service to our customers.”

About Prolifics

Founded in 1978, Prolifics is a systems integrator specializing in IBM technologies, having garnered awards for technical excellence across IBM's entire software portfolio. A Premier Level IBM Business Partner, Prolifics provides expert services including architectural advisement, design, development, and deployment of end-to-end SOA and Portal solutions.
